

Best Practice

Financial assistance for Participation /Registration Fees

MES' Institute of Management and Career Courses (IMCC) focusing on holistic development of students. All cell coordinators are always promoting students to participate in various intercollegiate Technical as well as Management events. Student need not to pay the registration fees in such participation. As a result of this practice our maximum student participate in such state level cocurricular and extracurricular events organised by other colleges.

Process Details

1. Student need to register their entry to coordinator
2. Coordinator approves number of participations
3. Student submit fees receipt and participation certificate to coordinator
4. Coordinator will reimburse the participation charges after getting sanctioned from Director
5. Submit event details and original receipt to account section

Evidence of success

| Academic Year | Number of Students Participated in Intercollegiate technical events |
|----------------------|--|
| 2014-15 | 30 |
| 2015-16 | 45 |
| 2016-17 | 32 |
| 2017-18 | 12 |
| 2018-19 | 23 |
| 2019-20 | 23 |
