Inside the Issue

Director's Message

As per the XIIth plan guidelines, the MES IMCC attained an autonomy (A Y 2022-23)-a functional status given by the UGC India for improving the academic standards and excellence through the more flexibility. The institution is going through the process of redesigning and restructuring of courses of study and syllabi. The focus is given on utilization of modern tools of educational technology for the advancement.

The MES IMCC's KRC is identified as one of the excellent knowledge resource centers in the Management and Computer Science domain and aligned with the organizational objectives. The center is providing all the information resource-based services based advanced Management & ICT tools and techniques by focusing on users' satisfaction. The center has also taken a lead in a consistent manner to run the postgraduate autonomous outreach programs PGDLIMAN (One-year Autonomous Post Graduate Diploma in Digital Library Automation and Networking since 2017 and onwards) and SET NET Virtual Programme for the LIS Professionals (autonomous program of Library & Information Science since 2016 and onwards) for the budding LIS professionals in the country for the last 9 years and more. The InfoLibManager is an annual newsletter of MES IMCC's KRC highlighting the annual additions in collections, activities in academic and research, and programs conducted by the KRC during the year. I wish InfoLibManager 2024 a grand success.

Prof. (Dr) Santosh Deshpande

Director
MES IMCC, Pune

From the Institutional Librarian
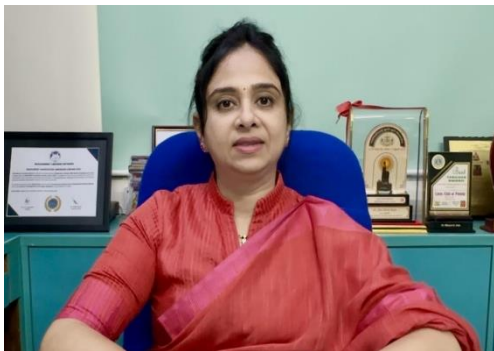

The MES IMCC's autonomy status certainly extended the work-boundaries of the Knowledge Resource Center (KRC)! The opportunities to explore and implement are numerous and result-oriented!

Library, being a service industry, focused on continuous service improvement through the ICT tools, effective use of social media, promotion of reading activity, and network accessibility for focused service delivery to user segments; application of the management techniques is certainly a crucial factor for the overall development of the Knowledge Resource Centers.

MES IMCC's KRC is focused on reaching the unreached through the conduction of skill-based programs for the library science community in India through the effective conduction of autonomous programs such as PGDLIMAN & the SET NET Workshop for the LIS professionals. Faculty from the national and international level are invited to conduct the focused sessions through the virtual mode.

During the last academic year, MES IMCC's Knowledge Resource Center effectively conducted the reading activities for the aspirants of MBAs, further the provision of focused SDI to researchers and the faculty by utilizing the e-databases - World e-book database, N-list, ProQuest database along with the DELNET membership promoted the information use; implementation of ERP software-Mastersoft along with the Koha is an added element to the system of KRC.

Best wishes,

Prof. (Dr) Mrs. Meenal Oak

Librarian (Prof.-Level-14)

Knowledge Resource Center (KRC) Profile: 2023-24: -

- **Features**
  - Situated in a separate building on the Institutional campus
  - Digital IR through d-space
  - Fully Computerized Library System through Koha LSS,
  - Implementation of Mastersoft LMS for data integration with MES
  - Remote access to Information Sources through an upgraded library webpage
  - Bar Code Technology for Auto transactions of the Library Documents
  - Back-Up system
  - In-house Generation of Bar-Coded User Borrower Cards
  - Systematic arrangement of the library documents- Use of DDC 23rd ed & Library Signage System
  - ILL services through the Membership of Jaykar Knowledge Resource Center, SPPU, Pune & MES's Institutions
  - Document Reservation and Recommendation
  - Library LAN
  - Annual Publishing of Library Newsletter- InfoLibManager
  - Annual Stock Verification
  - User OPAC and access to Project Reports through the IR in the library and on the Institutional Campus
  - Students and faculty Database Development and Maintenance
  - Conducive environment for study and research in the library
  - Library Blog
  - Use of LIBQUAL+ for measuring users feedback on continuous basis
  - Six sigma application
- **Services**
  - Hall Reading
  - Home Lending
  - SDI & CAS
  - Digital Library Collection access
  - Indexing Services
  - Document Reservation Facility
  - Remote Access through MES koha web OPAC
  - Users study

- Use Study
- ILL through the JKRC, SPPU & MES Institutions
- DLL through DELNET, India
- Access to on-line databases ProQuest Management Collection and N-List & World e-book Database, ProQuest,
- Reference Service
- Referral Service
- Purity checking for the scholarly publications

- **Facilities:**
  - Document Scanning
  - Reprography
  - Internet Search
  - Wi-Fi connectivity
  - Digital Library & Web-OPAC
  - Pure Drinking Water
  - Reading Hall

- **IT infrastructure**
  - Laser printer HP 1005 for document scanning, Xeroxing and printing
  - HP LaserJet 1018 printer
  - EPSON L 525 & EPSON L6460 colour printers
  - Barcode scanners -02
  - Lamination Machine
  - Computers 12 and
  - Laptop 01
  - Fire extinguisher
  - Biometry

- **e-resources (Subscribed)**
  - N-list
  - ProQuest
  - World e-books database
  - DELNET e-resources
- **System Software**
  - Koha Library Management System
  - Dspace - Digital IR
  - Libri office
  - Mastersoft-LIBMAN
  - DrillBit

KRC Activities: -

❖ User Orientation Program

Every year, MES IMCC's KRC conducts an orientation program for aspirants of MBA and MCA to make them aware of the KRC features. Induction sessions 2023-24 conducted highlighting the demonstrations of the digital institutional repository of MES IMCC, online paid and open databases, MES koha Library web OPAC along with the other library activities such as e-book review database awareness program, etc. to promote the reading habits among the students.

The sessions followed by the question-and-answer session of the students pertaining to the library services and the resources.

❖ Database Awareness Program for the Students

Every year, the KRC of MES IMCC conducts a periodic database awareness program after 6 months of the term. During this activity, students explore a variety of databases through a focused LAB session conducted by the staff members.

Students focus on the keywords of their interest, leading to selection of the e-books & research papers. It increases the awareness of users regarding the utilization of e-resources, resource selection, and utilization. During the A Y 2023-24, the database awareness program was conducted for MBA and MCA 1st year students.

## ❖ Promotion of Reading through "शांतता पुणेकर वाचत आहेत / Shantata Punekar Wachat Ahet"

MES IMCC's Knowledge Resource Center conducted a special session (11th December 2024) to promote the reading activity amongst the aspirants of MBA and MCA; Prof (Dr) Mrs. Meenal Oak started the activity by highlighting the benefits of reading and the effective results of reading in the current scenario with the reading of print and e-books. The event received an excellent response from the institute's students. The aspirants of MBA and MCA enjoyed the reading activity by spending the entire day at KRC.

Photo Images of the students responding to the reading activity of MES IMCC KRC

Session for the Learners of IMCC for Vikasit Bharat (VIVIBHA 2024) Participation: -

Prof (DR) Mrs Meenal Oak conducted the session to enable and inspire the faculty members and the learners of MES IMCC to participate in the Viksit Bharat - the research paper writing competition (VIVIBHA 2024) organised by the Bhartiya Shikshan Mandal Pune Bharat for getting the productive participation form the youths of the Country, the session got the positive response with the participation.

Session for the Learners of IMCC for Vikasit Bharat (VIVIBHA 2024) Participation

❖ **Celebration of the National, patriotic days at KRC**

MES IMCC's KRC took the lead during the A. Y. 2023-24 for organizing the national and patriotic days of the Indian freedom fighters. This has given an opportunity for the students to know more about the people who sacrificed their lives selflessly for the freedom of India.

■ **Best Practices: -**

❖**Application of LibQual + and SIX sigma @ the KRC**

The knowledge resource center of IMCC is consistently applying the service quality assessment as a way to raise the standard of the provided service. In addition, the open-ended feedback from the outgoing students and users from other segments is also taken and displayed on the library boards.

The KRC also applied the SIX sigma technique to eliminate and streamline the processes to raise the effectiveness of the library performance; for the last 4 years, the six-sigma technique has been applied for more effective performance for the information service delivery.

❖**Library @ your doorstep:**

The KRC is providing the SDI to the faculty members and the research scholars with the core concept of reaching the users at the door step through the e-mode library

service through the online SDI through the variety of databases such as World e-books database through the DELNET National Consortium, ProQuest database, N-list and kopykitab and also through the ILL service as well.

❖ KRC webpage - remote accessibility to the KRC Collection

The KRC webpage has been continuously upgraded on the institutional website to provide access to e-books and e-journals through paid and open-source online databases.

The webpage provides effective access to N-List, World e-book database, kopy-kitab e-books collection; ProQuest accessible links through the Institutional Static IPs on the campus along with the provision of online membership to the students, faculty members and research scholars, access to print catalog through the MES koha web OPAC facility facilitating the users to browse the library catalog, to know the loan record, Library document Status & the remote access to e-projects through the Digital IR Collection.

Library Automation – addition for more effectivity

## Implementation of Mastersoft Library Software System at KRC: -

During this academic year 2023-24, the KRC started implementing the ERP software system- Mastersoft to integrate with the entire system of the MES; the software system is implemented at KRC of MES IMCC by keeping the koha intact at the backend. This gave an add-on base to KRC in extending the service applications.

➤ SLA USA Elections 2025-2027

Prof (Dr) Mrs Meenal Oak has been elected unopposed to the Special Libraries Association (SLA) USA Board of Directors for the year 2025 - 2027. The **Special Libraries Association** (**SLA**) is an international professional association for library and information professionals working in business, government, law, finance, non-profit, and academic organizations and institutions. The association was founded in 1909 in the United States by a group of librarians working in specialized settings, working for the effective information accessibility and networking of LIS professionals at the global level.

Prof Oak has received a scholarship from SLA for four consecutive years (2020 to 2023) and has served on the membership committee of SLA as well as the election committee of SLA ASIA. Until now, she has lectured on various topics such as Research Integrity, Research ethics, WLB, Service Quality, and Benchmarking at the international level for SLA members around the globe. SLA ASIA honored her with the SLA ASIA Information Professional Award 2022, she represented the SLA ASIA community during the SLA International Conference 2021.

■ Outreach Programs: -

Autonomous programs of Library and Information Science by the MES, Pune India

⊞ Post Graduate Diploma in Digital Library Management Automation & Networking (PGDLIMAN)

The Maharashtra Education Society launched a one-year autonomous program - Postgraduate Diploma in Digital Library Management Automation and Networking (PGDLIMAN) for Indian library science professionals to get the latest practical knowledge of ICT applications in the libraries and information centers. This program is a boon to the qualified LIS professionals working in the colleges and academic institutions in the state for effectively applying the ICT in the libraries and Information centers. the 3rd batch of PGDLIMAN - Post Graduate Diploma in Digital Library Management, Automation & Networking (One Year Autonomous Program of MES Pune) is successfully conducted at MES IMCC Pune India.

The candidates of the 3rd batch of PGDLIMAN (2024) completed the one-year program; the candidates registered from Pune, Mumbai, Amravati, Ahmednagar, Satara. The program uses hybrid media for the session conduction, assignment evaluation, and examination conduction. The primary medium is Google classroom followed by zoom and offline sessions.

The learners were doctorates of LIS and qualified working Librarians from the Maharashtra state - including Amravati, Nanded, Ahmednagar, Mumbai, Satara, and Pune, registered for PGDLIMAN MES's IMCC a Post Graduate Diploma Program (Autonomous) involving 15 courses; the program conducted in a hybrid mode with a focus on Google Classroom and the need-based offline sessions including the theory and practical work and case studies in knowledge resource centers in the nation. A continuous assessment involving the assignments and the presentations with a term-end examination.

The program is based on the objective of imbibing technological and management skills among budding qualified Librarians in society to develop them as an independent library manager who will manage the libraries in the new era successfully.

It is certainly the success of collaborative efforts done by the LIS faculty - Jay Bhatt, University Librarian - engineering Drexel University USA, Prof (Dr) S K Patil Former UL SPPU & Dr. Dahibhate, Prof (Dr.) Mrs. Meenal Oak as well as the CS faculty - Dr Narasingoju, Dr Kulkarni in the organization; the MES Pune & Prof (Dr) Deshpande Director IMCC , Prof (Dr) Mrs Meenal Oak is the coordinator of the program.

✥ SET/NET Virtual Workshop

Every year MES IMCC conducts the SET/NET Training programme for the budding LIS professionals in the society. Basic aim is to provide proper guidance to the fellow library professionals, in order to prepare them for the SET/NET Examination by the *systematic conduction* of the theory and MCQ's sessions from the year 2015.

Basic attitude of MES for grooming the learners and enthusiasm and quest for knowledge of earlier batches has encouraged us to continue with our efforts of providing training for SET/NET examinations for the benefit of the library science profession. For this programme, the candidates registering from all over the Maharashtra from *Mumbai, Bhusawal, Aurangabad, Shengaon, Nashik, Ahamadnagar, Mangaon , Solapur , Bhusawal* and Pune and various places nearby Pune as *Manchar, Baramati, Khed* etc.

The sessions were conducted by eminent personalities from Karnataka and Maharashtra states from India, as well as the foreign countries like the USA and Bangladesh.

During the academic year 2023-24, total 10 candidates of MES IMCC's SET NET Workshop have qualified for the SET Conducted on 7th April 2024; total 60 candidates of the MES SET/NET Program have qualified the SET/NET in the last 10 years.

Prof. (Dr.) Mrs. Meenal Oak is the coordinator of the workshop; for more details the programme website can be accessed as
